ATTENTION COACHES

We're asking that you pass this note on to your runners, parents or any other spectators that will be attending the Baertschi Cross Country Meet on October 8th. Once again this year, spectator parking will be in a farm field near the Baertschi race course. Each year we run into situations where spectators drive newer/nice vehicles and don't want to park in that field. That is our only resort due to parking alongside the road is not allowed. Please pass this information on so that spectators understand that **ALL** spectator parking will be in a farming field.
