****Prelims will be based on the number of entries.**

CONCESSIONS: Full concessions will be available and sponsored by the Belleville Sports Boosters

ENTRANCE: We will be charging \$5 per adult, \$3 per student at the gate

T-SHIRTS: Raider Invite T-Shirts will be available at the meet for sale under the stadium at a cost of: **\$15**, please see visual of the shirts on page 4

TRACK SURFACE: The track is a sprint track. We can use 1/4" needle spikes or the round based Phillips spikes. Shot and Discus rings are concrete.

****Please use chalk to mark on the track and runways instead of using tape. Chalk will be made available at the relay exchanges as well as field events.**

SHOT/DISCUS:

In years past, we have set minimum distances to be marked for our throwers due to the volume of entries in the throwing events. However, with fewer teams this year and size of team down, throwers will get three throws in preliminaries and ALL will be marked. We ask that you have a teammate shag implements for the throwers.

***ALSO PLEASE NOTE-** We will run girls shot first and boys discus first! This will help with not having to measure boy's discus throws as it is starting to get dark as they generally are throwing farther than the girls.

ATHLETES: Please keep all non-competing athletes off the infield. There will be opportunities on the backstretch and just off the track to warm-up. Athletes should report to the clerk for heat/lane assignments as well as race instructions. The officials will not be giving instruction; they will just be starting the race.

Relay Exchanges: There are no acceleration zones. The acceleration zone and exchange zones have been combined as our track has been recently resurfaced. Ideally we would rather teams use chalk when putting down marks on the track as opposed to tape, we want to try and conserve the surface as much as possible. Tape sometimes pulls up rubber off the track. There will be chalk available at each of the exchange zones and we ask that when the athlete is done with the chalk to place it next to the container.

4x200 1st and 3rd exchange (red to red, yellow to yellow) Albany and Shullsburg/Benton, 2nd exchange

4x100 1st exchange (yellow to yellow) Black Hawk and Cambridge, 2nd exchange (yellow to yellow) Waterloo and Wisconsin Heights, 3rd exchange (yellow to yellow) Sugar River and Lodi.

GAMES COMMITTEE: Head Coaches from Sugar River, Albany, Columbus, Cambridge

Good Luck to all today!
